A more mobile friendly version of live chat Collecting Feedback

• C Chad

• اسم المنتدى: # Feature Request

.We'd like a more mobile friendly version of the chat function

Hi Chad, Thank you for your feedback! We are currently redeveloping the both the iOS and Android Apps, currently there is no set date for their release but they are on the way pretty soon. We appreciate everyone's participation in the improvement and development of DeskPRO and will keep you updated when this function is ready
