

Add Sort Criteria for Organizations Collecting Feedback

RB Randy Bayas •

اسم المنتدى: # Feature Request

.The sort criteria for organizations is currently limited

If you could add some extra options that would be great, specifically the date the organization was created and the organization ID

When you look at an organization's CRM card it would be helpful if you could sort the ticket list as you can in the (user profile (and ideally by ID number as well

.It would also be good that have an expanded Sort order for users
