

[Feature Request > Allow the ability to search or create filters with the criteria "Label does not exist"](#) [مركز المساعدة < اقتراحات < "Label does not exist"](#)

## **Allow the ability to search or create filters with the criteria "Label does not exist" Collecting Feedback**

- MB Mark Beazley
- اسم المنتدى: #Feature Request

We'd like to be able to easily filter by 'No label set/exists'. This would help us to keep track of any tickets which .have not had a label applied to them, so we can then add the appropriate labels
