Attach file using the JIRA App Collecting Feedback

A Andreas •

Feature Request# **اسم المنتدى:** •

It would be nice if the agent could attach a file when creating a ticket in JIRA using the JIRA App.

We need that too. When creating a new jira issue through the app, there should be a .checkbox which lets me choose if i want to copy the attachments to the ticket or not

Has this ever been added? I'm still using the old JIRA App. Haven't found documentation .stating if v2 supports it
