News Subscriptions Collecting Feedback

- Elyse
- اسم المنتدى: #Feature Request

It would be helpful if an Agent could subscribe users to News feeds.
It would be really useful as well if this could be automated so you could for example automatically subscribe users from specific user groups to specific News categories when they register.

+1 - This would be very useful for me to subscribe staff to email news updates automatically.

+1 as it would be beneficial for an agent to be able to subscribe/unsubscribe users for them.
