Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

The screenshot shows a web interface for editing a guide. At the top, there is a search bar with a magnifying glass icon. Below it, the text 'URL' is displayed in blue. A grey input field is present, followed by a horizontal line. Below the line, the text 'Text' is displayed in grey, and 'Formpipe Support' is displayed in black. At the bottom, there is a checkbox labeled 'Open in new tab' which is checked, and a blue 'Update' button is located to the right.
