## Change the name of the Contact Us tab

[Configuration](#) - [تعليقات \(.\)](#) - Thomas Rolfe - 2023-09-13

You can customize the text on the Help Center **Contact Us** button where users submit tickets. For instance, if you'd like to rename it from "Contact Us" to "Submit Tickets".

Go to **Admin > Configuration > Phrase Translation**. Click the Help Center UI tab and search for `helpcenter.general.nav_contact`

**Phrase Translation** Help

The text you see in Deskpro is stored as phrases, that includes the names of custom object you create. Here you can manage the phrases and provide translation for custom phrases.

Search: helpcenter.general.nav\_cont Filter

Your Objects **Help Center UI** Email Custom

| Phrase                              | English               |
|-------------------------------------|-----------------------|
| <b>Help Center General (2)</b>      |                       |
| helpcenter.general.nav_contact      | Contact Us            |
| helpcenter.general.nav_contact_desc | Get in touch for help |

.Click the highlighted row and edit the text for your language

.Click **Save** at the bottom of the page

.Now when you go to the Help Center, you will see your custom button name

The screenshot shows the top navigation bar of the '221B Energy Helpdesk'. It includes user roles (Agent, Admin), language (English), and a 'Contact Us' button. Below the navigation is a search bar with the text 'How can we help you today?'. A notification banner states '1 You have one ticket to respond to.'. At the bottom, a row of navigation buttons is displayed: 'Community', 'Guides', 'Knowledgebase', 'News', 'Files', and 'Submit Tickets'. The 'Submit Tickets' button is highlighted with a red rectangular border.
