

How can I drag and drop attachments into a ?ticket

[Agent](#) - [تعليقات \(٠\)](#) - Chynah Hayde - 2023-07-26

.You can drag and drop attachments to a ticket, or paste screenshots into the reply box

.You can also drag an attachment *from* a ticket to a folder on your computer desktop

.You can also drag an attachment from a previous ticket message into the reply box
