

?How do I install the chat widget in Magento

Using Deskpro - تعليقات (٠) - Lauren Cumming - 2023-08-16

1. Sign into your Magento account as an administrator .1

2. Head to the "**Content**" section on the left hand side navigation menu. Then click on .2
."Configuration"

3. Find the current theme row (on a fresh installation it is applied as "Default Store View") .3
."and click "**Edit Link**"
