

How do I only display the Help Center Welcome Message to ?User's who are logged in

Admin - (.) تعليقات - Lara Proud - 2025-04-25

If you only want your Help Center's Welcome Message to display to Users who are logged
.in, you can edit this by adding an **if** statement to the Homepage Template

Go to **Admin > Help Center > Help Center Design** and open **Edit Home Page** in
.the page layout and design section

:On line 14, you'll see the sub-template for the Welcome Box

```
1 Extends: Theme::layout.html.twig
2
3 {% block page_content %}
4   <div class="dp-po">
5     <main id="main" tabindex="-1" class="dp-po-main dp-po-homepage">
6       <div class="container">
7
8         {% block content_header %}
9           {% if theme_option('theme_options') is null or theme_option('theme_options', {}).show_section_navigation %}
10            <h2 class="sr-only">Tableau de bord</h2>
11            Theme:Portal:nav_buttons_big.html.twig
12          {% endif %}
13
14          Theme:Portal:welcome-box.html.twig
15        {% endblock content_header %}
16
17        {% if can_use_news() %}
18          <div class="dp-po-homepage-news">
19            <div class="row">
20              <div class="col-sm-6">
21                <div class="dp-po-title">
```

.You'll need to wrap this section in an if statement

:Add this before the sub-template

```
{% ()if 2 in app.user.getUsergroupIds %}
```

:And this after

```
{% endif %}
```

Note

Usergroup ID 2 is the Registered Usergroup so this statement is instructing the
.system to only serve this content to logged-in users

:So it looks like the below

```

1 Extends: Theme::layout.html.twig
2
3 {% block page_content %}
4   <div class="dp-po">
5     <main id="main" tabindex="-1" class="dp-po-main dp-po-homepage">
6       <div class="container">
7
8         {% block content_header %}
9           {% if theme_option('theme_options') is null or theme_option('theme_options', {}).show_section_navigation %}
10            <h2 class="sr-only">Tableau de bord</h2>
11            Theme:Portal:nav_buttons_big.html.twig
12          {% endif %}
13
14          {% if 2 in app.user.getUsergroupIds() %}
15            Theme:Portal:welcome-box.html.twig
16          {% endif %}
17
18        {% endblock content_header %}
19
20      {% if can_use_news() %}
21        <div class="dp-po-homepage-news">
22          <div class="row">
23            <div class="col-sm-6">

```
