How do I only display the Help Center Welcome Message to User's who are logged in

[Admin](#) - [تعليقات \(.\)](#) - Lara Proud - 2025-09-08

If you only want your Help Center's Welcome Message to display to Users who are logged in, you can edit this by adding an if statement to the Homepage Template

Go to **Admin > Help Center > Help Center Design** and open **Edit Home Page** in the page layout and design section

:On line 14, you'll see the sub-template for the Welcome Box

```

1 [Extends: Theme::layout.html.twig]
2
3 {% block page_content %}
4   <div class="dp-po">
5     <main id="main" tabindex="-1" class="dp-po-main dp-po-homepage">
6       <div class="container">
7
8         {% block content_header %}
9           {% if theme_option('theme_options') is null or theme_option('theme_options', {}).show_section_navigation %}
10            <h2 class="sr-only">Tableau de bord</h2>
11            [Theme:Portal:nav_buttons_big.html.twig]
12          {% endif %}
13
14          [Theme:Portal:welcome-box.html.twig]
15        {% endblock content_header %}
16
17        {% if can_use_news() %}
18          <div class="dp-po-homepage-news">
19            <div class="row">
20              <div class="col-sm-6">
21                <div class="dp-po-title">

```

.You'll need to wrap this section in an if statement

:Add this before the sub-template

```
{% ()if 2 in app.user.getUsergroupIds %}
```

:And this after

```
{% endif %}
```

Note

Usergroup ID 2 is the Registered Usergroup so this statement is instructing the system to only serve this content to logged-in users

:So it looks like the below

```

1 Extends: Theme::layout.html.twig
2
3 {% block page_content %}
4   <div class="dp-po">
5     <main id="main" tabindex="-1" class="dp-po-main dp-po-homepage">
6       <div class="container">
7
8         {% block content_header %}
9           {% if theme_option('theme_options') is null or theme_option('theme_options', {}).show_section_navigation %}
10            <h2 class="sr-only">Tableau de bord</h2>
11            Theme:Portal:nav_buttons_big.html.twig
12          {% endif %}
13
14          {% if 2 in app.user.getUsergroupIds() %}
15
16            Theme:Portal:welcome-box.html.twig
17
18          {% endif %}
19        {% endblock content_header %}
20
21        {% if can_use_news() %}
22          <div class="dp-po-homepage-news">
23            <div class="row">
24              <div class="col-sm-6">

```
