[Payment & Renewals](#) - [تعليقات \(٠\)](#) - Ben Henley - 2023-08-10

### :Question

I want you to send my billing information and renewal notices for my account to a different email address. How  
?can I change that

### :Answer

A Billing Admin in your account will need to log in to the Billing Area of your trial and open the Billing  
:Dashboard

When you scroll to the bottom of the page, you will see an area relating to Billing and Finance Contacts. From  
:there, you can add a new Finance Contact to receive renewal notices for your account
