On-Premise

You can generate your own Deskpro On-Premise invoice easily by visiting the [Buy License](#) link on our website. You can select the number of agents you require, your plan, and any professional services and then generate an .invoice or quote

Cloud

Cloud invoices can be raised from the Billing area of your Cloud trial. You can access the Billing area through the \$ icon on the Navigation Bar, indicated below. You can select the number of agents you require, your plan, and any professional services and then generate an invoice or quote

The screenshot shows the Deskpro Billing interface. On the left, a vertical navigation bar has a red box around the '\$' icon. The main area is titled 'Buy Deskpro / Create Quote'. It shows a message: 'Billing will be applied on Jun 24, 2022 after your trial ends (in 11 days.)'. Below this, the 'Agent Seats' section is shown with a dropdown menu set to '10' and a slider scale from 3 to 1000. An illustration of people working on laptops is displayed. At the bottom is a 'Continue' button.
