

?Which web browsers does Deskpro support

General - (٠) تعليقات - Lara Proud - 2023-09-05

The Deskpro agent and admin interfaces work with the majority of up-to-date desktop browsers, including

Google Chrome •

Firefox •

Safari •

Microsoft Edge •

The Help Center and Messenger will work in a wider range of browsers, including

iOS 9 and higher •

Chrome Mobile for Android •

Internet Explorer •

Edge Legacy •
