## ?Which web browsers does Deskpro support

<u>General</u> - (٠) تعليقات - Lara Proud - 2024-06-24

The Deskpro agent and admin interfaces work with the majority of up-to-:date desktop browsers, including

Google Chrome: latest two versions •

Firefox: latest two versions •

Safari: latest two versions •

Microsoft Edge: latest two versions •

The Help Center and Messenger will work in a wider range of browsers, :including

iOS 9 and higher •

Chrome Mobile for Android: latest two versions •

Internet Explorer 11 •

Edge Legacy •
