Is there a way to configure this? We get different variations of subject lines and it would be nice to be able to configure additional ones.

I agree with that. Microsoft localizes those strings, so replies from german outlook clients start with "Automatische Antwort: "

Hi Mike - you can't define this at the moment but I agree that would be a useful feature. The article you reference has recently been updated to specify the codes that are currently looked for if you're interested:
