Possibility to add files to a reply or a note when they are edited (like when i create them) Collecting Feedback

- cjs@software-agentur.com
- Име на форума: #Feature Request

Hi,

if I create a ticket, a replay or a note, I can add files to it. Wen I have to edit them, than the feature of adding a file is gone. Would be nice, If the edit mode would have the same 'add file'-system like in create mode.

Thanks,		
Christian.
