

Is Deskpro available on the G-Cloud Digital Marketplace?

Ben Henley - 2023-08-10 - Sylwadau (0) - Payment & Renewals

G-Cloud is a UK government service that offers an easier way for UK public sector organisations to purchase technology.

Deskpro has a long history of working on successful projects with the UK public sector and has been available through G-Cloud for many years.

The current framework is G-Cloud 13, you can find Deskpro's listing [here](#).
