DeskPRO v3.4.1 Released and Billing Plugin Beta

2009-07-24 - Christopher Nadeau - Sylwadau (0) - Release Announcements

We are pleased to announce the availability of DeskPRO v3.4.1. This release includes some small enhancements and fixes to a number of relatively minor bugs. This version can be downloaded from the members area.

Also, we have released a public beta of our new Billing Plugin. Purchase now for $295 during this testing period.

For more information about these releases, refer to the full announcement on our forums: http://forums.deskpro.com/showthread.php?t=1072
