If you want to keep up with any changes in Deskpro we have a number of different ways you can follow along.

Release Announcements

We release upgrades to Deskpro every week and publish News Posts that detail the product changelog including any new features, improvements, and bug fixes.

You can subscribe to receive Deskpro News, or subscribe to individual categories depending on what updates you want to receive! Just go to the News page, or the relevant category and hit the **Subscribe** button.

The screenshot shows the Deskpro News page with three news items listed:

- SEP 5 2023: Deskpro Horizon Release 2023.36 (by Lara Proud, 0 comments)
- AUG 30 2023: Deskpro Horizon Release 2023.35 (by Lara Proud, 0 comments)
- AUG 30 2023: Empower customer engagement with Insta... (by Lara Proud, 0 comments)

To the right of the news items is a "Subscribe" dropdown menu with the following options:

- Select Category
 - All News
 - Release Announcements
 - Product
 - Product (Agent)
 - Product (Admin)
 - Blog
 - News
- Select Date

A red arrow points to the "Subscribe" button in the top right corner of the dropdown menu.

Here are some quick links to each area:
