The screenshot shows the Drupal administration interface. At the top, there is a navigation bar with 'Back to site', 'Manage', 'Shortcuts', and 'admin'. Below this is a secondary navigation bar with 'Content', 'Structure', 'Appearance', 'Extend', and 'Configu'. The main content area is titled 'Block layout' with a star icon. There are two tabs: 'Block layout' (selected) and 'Custom block library'. Below the tabs, there are two sub-tabs: 'Bartik' (selected) and 'Seven'. A blue arrow points from the 'Block layout' tab to the 'Bartik' sub-tab. Below the sub-tabs, there is a breadcrumb trail: 'Home » Administration » Structure'. A paragraph of text follows: 'Block placement is specific to each theme on your site. Changes will not be s'. Below this is a link: 'Demonstrate block regions (Bartik)'. A blue arrow points from this link to the 'BLOCK' section. The 'BLOCK' section is a table with the following rows:

BLOCK	
Header	Place block
✚ DeskproWidget	
✚ Site branding	
Primary menu	Place block
✚ Main navigation	
Secondary menu	Place block

10. Filter the blocks by the description you typed earlier and click "**Place Block**" under 'Operations'. This will embed the chat widget on your site.
