DeskPRO v3.0.4 Released

2007-12-14 - Chris Padfield - [Kommentarer (0)](#) - [Deskpro Releases](#)

A security issue has been found in the v3.0.x branch during an internal audit. We have released DeskPRO v3.0.4 that fixes this issue. You should either upgrade to v3.0.4 or v3.1.1 as soon as possible. The v3.1.x branch is not affected by this issue.
