WHMCS integration Finished

- Hui ren
- **Forenname:** #Feature Request

Hello,

 Please integrate DeskPro into WHMCS.

 Thanks!

Please make a plugin for the WHMCS.

Rudy

vor 11 Jahren

This would be a great asset to the DeskPro Product. With WHMCS Integration billing and domain management companies would have true flexibility and a tight integration for support and managing customers.

Shaun Fisher

vor 10 Jahren

Definitely agree. This is the one hurdle stopping us from making the switch to DeskPro.

HEAP Software

vor 10 Jahren

We are working on an integration now for deskpro and WHMCS and it will be available within a month or two on our site at <http://www.heapsoftware.com/products.htm>

This sounds excellent. Please continue to post information on the status of your development.

Very exciting news.

S Samuel

Did this ever get anywhere?

HEAP Software

vor 9 Jahren

We have released our integration for deskpro and WHMCS at
