## Personalize your Help Center and Content

Lara Proud - 2023-09-12 - [Kommentare \(0\)](#) - [Getting Started](#)

The first step to personalizing your helpdesk is by naming it and adding your website details.

To add information about your helpdesk go to **Admin > Configuration > Branding**. Select the brand you want to update:

From **Admin > Configuration > Branding**, you can also create additional branded Help Centers for different end-user-facing Help Centers by selecting **Add a Brand**.

You can also manage the appearance of your various Help Centers in **Admin > Help Center > Help Center Design**. This lets you change your welcome message, fonts, and colors and add a logo to make your Help Center truly reflective of your brand.
