The screenshot displays the Deskpro interface for managing tickets. The sidebar on the left contains various navigation options. The main area shows a list of tickets, with one ticket highlighted in red. The ticket details panel on the right shows the ticket title 'New Starter in Admin', ID number '372', and status 'Urgent'. It also shows the ticket's history, including messages and agent notes. The bottom section shows the 'Write a message...' form with fields for 'To:', 'Subject:', and 'Message:', and buttons for 'Send as', 'Agent', 'Team', 'Charge 10 seconds', and 'Macro'.
