It should be possible to sort teams in the admin and then show teams in that order in the agent interface.

A screenshot of a software interface titled 'Agent Teams'. The interface shows a list of teams: '1st Level Support' (highlighted in blue), '2nd Level Support', 'QA and Testing', 'Support', and 'TEST GROUP'. At the bottom of the list is a button labeled '+ Add'. The interface has a light gray background with a vertical sidebar on the left.
