## **incorporate a "you can book me" feature. In Development**

- SH Scott Hardy
- **Όνομα φόρουμ:** #Feature Request

We use youcanbook.me on our helpdesk website. Check it out:

<http://www.rawlsgrouphelpdesk.com/book-scott.html> We paste our bookings into DP tickets manually, and vice versa. If these two systems could talk, or if DP created a similar booking tool... This could be an awesome addition to DP! Thank YOU! Scott
