## SLA Filters: set a default view **Collecting Feedback**

- MA Marion Abramo
- **Forum name:** #Feature Request

We would like the SLA views to hold a default of being grouped by department, is it possible to add this to the Filters available for the SLAs:

SLAs	Type	Warning	Failure	Hide
First	Time			<input type="checkbox"/> Hide
Second	Time until ticket resolution (Default working hours)			<input type="checkbox"/> Hide
Third	User waiting time until ticket resolution (Default working hours)			<input type="checkbox"/> Hide
