The image shows a screenshot of the Deskpro web interface. At the top, there is a header bar with the Deskpro logo on the left, the word 'Deskpro' in the center, and a blue 'New ticket' button on the right. Below the header is a large blue banner. Underneath the banner is a search bar with a magnifying glass icon and the text 'Search our Help Articles'. Below the search bar is a navigation bar with the Deskpro logo, the text 'Help Center > New ticket', and the 'New ticket' button. The main content area has a light gray background. At the top of this area is a white box with a blue envelope icon and the text 'New ticket'. Below this is a white box with the text 'Please complete this form and one of our agents will reply to you by email as soon as possible.' Underneath this text are two input fields. The first field is labeled 'Name *' and the second field is labeled 'Email *'. Both fields are empty and have a light gray border.

In the Phrase Translation settings, you can update various text elements within Deskpro that are stored as phrases, giving you the flexibility to customize your Help Center portal to meet your specific needs.
