

Introducing our new integration with TeamViewer!

2022-12-06 - David Anjonrin-Ohu - [Comments \(0\)](#) - [Product \(Admin\)](#)

We're happy to announce that our latest integration is with the remote access service TeamViewer.

Installing this app gives your team the ability to create new TeamViewer sessions while working on a ticket, saving them from having to leave your Deskpro instance.

TeamViewer Sessions	
Active Sessions (1) +	
s89-393-283	
Created 4 Mar 2021 13:34	
Copy Link	Delete
Expired Sessions (1)	
s89-393-283	
Duration 00:02:23	
Created 8 Apr 2020 14:40	Expired 24 Apr 2020 17:09

The app also gives you a list of active sessions with a copy button to make it easy to share details of TeamViewer sessions with your users while communicating with them.
