

<u>Help Center</u> > <u>Community</u> > <u>Feature Request</u> > <u>Additional total times in DPQL</u> Additional total times in DPQL Collecting Feedback

- Joshua Thompson
- Forum name: #Feature Request

Currently in DPQL there are 4 total time options in the tickets table:

total_to_first_reply
total_user_waiting
tickets.total_to_first_reply_wh
tickets.total_user_waiting_wh
It would be helpful if there were more options here.
Specifically a total time the ticket is in the pending status would be particularly useful.
