Create a Permission for User Groups to Access the Helpcenter Editor Collecting Feedback

- AL Alvin Lobo
- **Forum name:** #Feature Request

Create a permission for Admins under *Admin > CRM > User Groups* to allow certain Users to access the Help Center Editor under *Admin > User Interface > Helpcenter*

This would allow Admins to grant permissions to a 'Designer' User Group so that UI designers could maintain the UI without being able to access tickets or the entire admin interface.
