Possibility to add files to a reply or a note when they are edited (like when i create them) Collecting Feedback

- c cjs@software-agentur.com
- **Forum name:** #Feature Request

Hi,
if I create a ticket, a replay or a note, I can add files to it. Wen I have to edit them, than the feature of adding a file is gone. Would be nice, If the edit mode would have the same 'add file'-system like in create mode.

Thanks,

Christian.
