How do I bill users or record time spent on support?

Question:

Where do I bill a user for a support fee or log support time? I can't find any way to do it from a ticket.

Answer:

An admin must enable the billing and time log options from **Admin > Tickets > Time Log & Billing**. Billing and time log can be enabled separately.

You will then see a tab in the Properties area when you view the details of a ticket.

The screenshot shows the Deskpro ticket interface for a ticket titled "Parts for redundant model" (ID: 40). The ticket is assigned to Maria Cama (maria1961@example.com) and is part of Project PLUTO. The ticket status is "Awaiting Agent" with 3 pending items. The "PROPERTIES" tab is selected, and the "BILLING & TIME LOG" sub-tab is highlighted with a red arrow. Below the tabs, the "Agent" is set to "Annie Golding" and the "Team" is set to "Support Managers".
