Where do I find an installation guide for my platform?

Ben Henley - 2017-11-09 - Comments (0) - Installation & Upgrades

See the [Deskpro Sysadmin manual](#) for step-by-step installation guidance for most platforms.

[Installing Deskpro on Ubuntu Linux](#)

[Installing Deskpro on Red Hat/CentOS Linux](#)

[Installing Deskpro on Windows Server 2008/IIS](#)

[Installing Deskpro on Windows Server 2012/IIS](#)

[Installing Deskpro on Windows/Apache](#) (From Source)
