Clicking on "Add or Remove agents from your plan" takes me to bad page Finished

- Dawn Messerly

<p>I just setup a demo of v4.
 I was brought to a screen where I had a link to "Add or Remove agents from your plan"and one to "click here to add a new agent".

 Clicking on the latter allows me to add a new agent.'

 Clicking on the former takes me to a bad page. I've included screen shots of the link I clicked and the resulting web page.</p>

Thanks Dawn, this should be fixed.
