Do you provide training?

Ben Henley - 2017-11-08 - 0 Comments - in Additional Services FAQs

We can provide interactive training for your agents and admins via screensharing technology.

Options include:

- A quick familiarization tour of DeskPRO and a Q&A session (1 hour)
- Full training session covering the agent, admin and reporting interfaces in detail (3 hours)
- Customized training session focusing on the features that are relevant to your workflow.

Email sales@deskpro.com for more information about these options or visit our [Training](#) page.
