How can I translate Deskpro into my language or improve an existing translation?

Ben Henley - 2018-03-12 - Comments (0) - Using Deskpro

We have a crowdsourced translation system so you can help us localise Deskpro and improve over 20 of our existing language packs.

You can sign up for an account at:

<http://languages.deskpro.com/collaboration>

If you want to add a translation into a new language, please let us know at support@deskpro.com.
