What is Deskpro Cloud?

Ben Henley - 2019-03-27 - Comments (0) - Using Deskpro

Deskpro Cloud is our software-as-a-service product, hosted on our servers:

- Quick to set up.
- We handle all the technical details like upgrades, backup and bandwidth.
- Simple, monthly pricing.
- We use bank-level security practices to keep your data safe.
- Deskpro Cloud is recommended for most of our customers.
