When a ticket has a ZIP file attached to it, you can now click on the 'View files' drop down and only download the most relevant files that you need.

The screenshot displays a ticket interface with three messages and a zip file attachment. The top navigation bar includes 'PAGES', 'FULL LOG', and 'DATES & TIMES'. The first message is from John Doe. The second message is from Haven Hermiston. The third message is from Verona Hudson. A zip file attachment, 'ticket-debug-5328.zip (65.29 KB)', is shown with a 'view files' dropdown menu. The dropdown menu lists the following files:

- ticket-debug-5328_20170309095607_11YM
