Add an attachment reminder ala Gmail Under Review

J Jason •

**Forum name:** #Feature Request •

<http://www.startupsmart.com.au/technology/gmails-secret-attachment-feature/> This has actually saved me many times while sending emails through Gmail and it would be awesome !to have this on Deskpro as well

Though the reminder should not be blocking. In our case, we often send attachments through .a download server. So there will not be any attachment in the email
