line breaks. Finished

michael Offenbecher •

**Forum name:** #Bug Report •

Its seems that when someone submits a ticket and/or feedback that it ignores all line breaks. A nicely written suggestion or feedback could turn into a wall of text nightmare.<br /><br /> <br /><br /> For example I have just dropped down two lines to start a new paragraph. <br /><br /> <br /><br /> Thanks <br /><br /> <br /><br /> Mike Offenbecher
