### :Question

I want to increase the number of news posts shown on the section of the portal home page ?highlighted below. How do I show the most recent five articles here

### :Answer

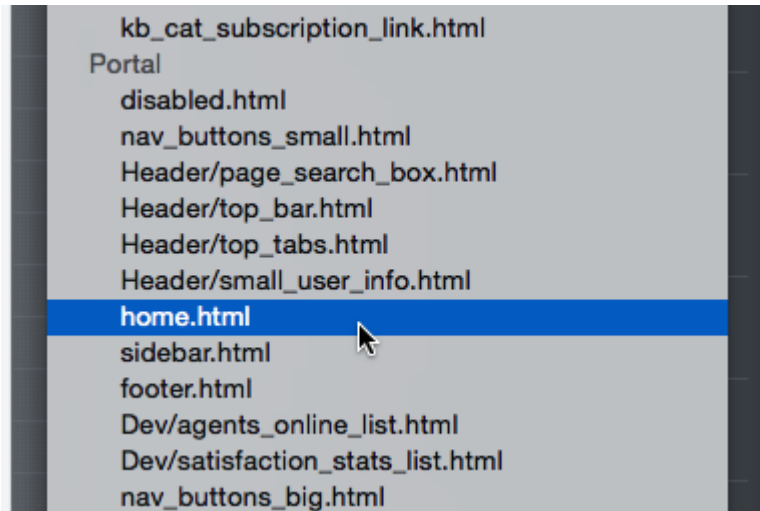

.You can do this by editing the portal templates

.Go to the portal editor at **Admin > User Interface > Portal** .1

.Click the **Template Editor** section at the lower left .2

.In the Portal section, select the **home.html** template .3

:The template editor opens. Find the line that says .6

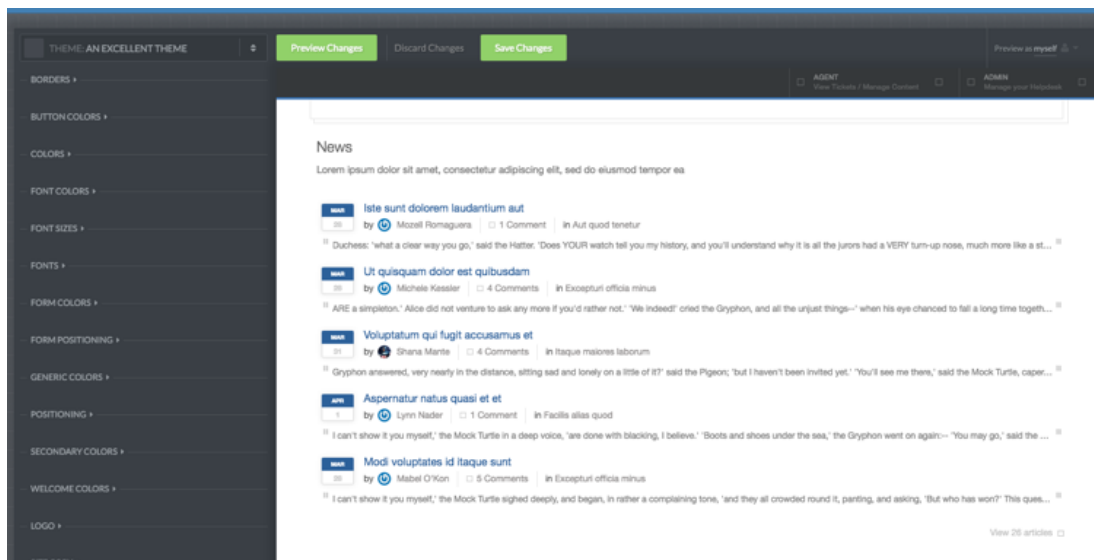

```
show section news_list_excerpts with { count: 2, %}  
{% { show_category_link: true
```

.Edit the number in **count: 2** to the desired number of articles: in this case, 5

.Click the X at the top right of the template editor to close it .7

Click the green **Preview Changes** button at the top of the screen to see the effect of the .8  
.edit and verify that the section now shows five articles instead of two

Click the green **Save Changes** button at the top of the screen to save your edit and .9  
.apply it to your live portal
