

## ?What documentation is available for Deskpro

Christopher Nadeau - 2023-09-15 - Comment (1) - Deskpro Legacy

To quickly start using your helpdesk, follow the [Getting Started article series](#). This will show you how to get your helpdesk ready for use quickly

.To understand how the agent interface works, see the [Agent Quick Start Guide](#)

---

### More information

You can find more comprehensive documentation on how to use Deskpro with the following resources

[Admin Guide](#) •

[Agent Guide](#) •

[Reports Guide](#) •

[Developer Guide](#) •

([System Administrator Guide](#) (for On-Premise users) •

.For FAQs, troubleshooting, and "How-To" guides, search our [Knowledgebase](#)
