?What is Deskpro Cloud

Ben Henley - 2019-03-27 - Comment (1) - Legacy: Managing Deskpro On-Premise

:Deskpro Cloud is our software-as-a-service product, hosted on our servers

- .Quick to set up •
- .We handle all the technical details like upgrades, backup and bandwidth •
- .Simple, monthly pricing •
- .We use bank-level security practices to keep your data safe •
- .Deskpro Cloud is recommended for most of our customers •
