

## ?Which web browsers does Deskpro support

Lara Proud - 2024-06-24 - Comment (1) - General

The Deskpro agent and admin interfaces work with the majority of up-to-date desktop browsers, including

Google Chrome: *latest two versions* •

Firefox: *latest two versions* •

Safari: *latest two versions* •

Microsoft Edge: *latest two versions* •

The Help Center and Messenger will work in a wider range of browsers, including

iOS 9 and higher •

Chrome Mobile for Android: *latest two versions* •

Internet Explorer 11 •

Edge Legacy •
