changing email filter of companies affects existing users? Finished

- Reto
- **Nom du forum:** #Feature Request

Hello

Very good helpdesk tool you have! Congratulations!

If I change the e-mail filter in a company, doesn't it affect the existing users?
Resp. do existing users get automatically assigned

Best regards,
Reto

This bug is fixed (for ticket messages as well) in the next revision.

At the moment changing the email for organisations does not update existing users - but this is a good idea and something we will add in the near future.
