Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

The screenshot shows a text editor interface. At the top, there is a search bar with a magnifying glass icon and a dropdown arrow. Below the search bar, there is a section labeled 'URL' with a text input field. Underneath the input field, the text 'Text' is displayed, followed by 'Formpipe Support'. At the bottom of the form, there is a checkbox labeled 'Open in new tab' which is checked, and an 'Update' button to its right. The checkbox and its label are highlighted with a red rectangular border.
