

## How do I remove the ability for users to change their password?

Christopher Nadeau - 2023-08-31 - Commentaire (1) - CRM

### **Option 1: Disable Deskpro auth**

If you are using an external auth provider such as Active Directory or SAML, then you may wish to totally disable the built-in Deskpro auth (which will also remove the password reset from the Help Center).

You can do this from **Admin > CRM > Auth & SSO**, and then toggle off the “Deskpro” option.
