# How long are outgoing emails retained for in cloud accounts?

Benedict Sycamore - 2022-02-10 - [Commentaire \(1\)](#) - [Using Deskpro](#)

In order to keep Deskpro running smoothly and securely across cloud accounts, we have rules for how long we retain outgoing email logs.

Outgoing email logs can be viewed in **Admin > Channels > Email > Outgoing Log**

The screenshot shows the Deskpro Admin interface. On the left is a sidebar with navigation options: Overview, Configuration, Channels (selected), Agents, Help Center, Ticket Structure, Features, Business Rules, CRM, Apps & Integrations, and Data. The 'Channels' section is expanded, showing 'Email' as the selected channel. The main area displays the 'Outgoing Email Logs' table. The table has columns for Date Created, Email ID, Status, From, To, Subject, and Ticket. It lists various outgoing emails with their respective details and ticket numbers.
